## Sale and use terms for material sold by CompoVerde

### 1. Use terms

- 1.1. The buyer must follow the instructions for the use of the irrigation shaft by CompoVerde ([www.compoverte.com](http://www.compoverte.com)) .
- 1.2. If the buyer doesn't understand or if he has questions, the buyer can contact CompoVerde before to order some material.
- 1.3. The buyer carries the responsibility for using correctly the material.

### 2. Guarantee of results

- 2.1. The buyer is conscious that different factors can influence the growth of vascular plants.
- 2.2. CompoVerde isn't in any case responsible of the success of a plantation with irrigation shaft or of a correct use of irrigation shafts.

### 3. Sale conditions

- 3.1. CompoVerde guarantees material sent by CompoVerde is in accordance with the order of the buyer.
- 3.2. The buyer pays in advance the order.
- 3.3. The buyer can benefit by a contract fixing conditions for regular orders.
- 3.4. CompoVerde sends by email a proforma invoice which includes price of equipment, sending and administrative costs to export.
- 3.5. The buyer pays, if need be, import taxes in the country of destination, at the receipt of the order.
- 3.6. CompoVerde returns only the equipment under exceptional circumstances.
- 3.7. CompoVerde returns only the undamaged equipment.
- 3.8. CompoVerde reimburses only the price of equipment if it is correctly sent.
- 3.9. The sending costs are carried by the buyer.
- 3.10. If any equipment has a default, the buyer send a email to [info@compoverte.com](mailto:info@compoverte.com) with pictures and precise informations about the default. CompoVerde sends free the new equipment if necessary.

### 4. Payment terms :

- 4.1. Sending will be done when the payment has been completed on bank account of CompoVerde.

### 5. Sending terms

- 5.1. The buyer can choose type of sending. By default, CompoVerde chooses economic rates with postmail.
- 5.2. CompoVerde is not responsible for damages or loss of the package during the sending. The buyer must contact the postmail which provides the service. The buyer can ask a insurance for package.
